Items in this PO will meet conditions set forth below. If there is any question as to the ability to meet these requirements, please contact your Arkia rep/contact before fulfilling.

Failure to meet these requirements may result in the return of the goods at the expense of the sender.

The relevant excerpts are taken from the Arkia "Maintenance Control Manual" from 06/2015, Regulation 37 (b) Regulations 2013 Regulations 118 A, 119:

- At least one of the following Qualifying/Airworthiness Certificates must accompany the parts ordered: either an FAA FORM 8130-3 and/or EASA FORM 1.
- For parts that are not serialized or don't require the above documents, a CoC document/statement (Certificate of Conformity) is required and, must accompany the parts ordered. The document/statement must state that the COC part is manufactured according to approved manufacturing to AFA - HAP (Holder Approval Production) by the aviation authorities of the country.
- Engines and Propellers manufactured under a Type Certificate (TC) must have an Export C of A, in addition to Item 1 airworthiness Certificates detailed above.

**ARKIA ISRAELI AIRLINES, LTD. is the END USER & FINAL DESTINATION.**
